

In all the world there is nobody like you.  
Since the beginning of time, there has never been another person like you,  
Nobody has your smile, your eyes, your hands, your hair.  
Nobody owns your handwriting, your voice.  
You're special.

Nobody can paint your brushstrokes  
Nobody has your taste for food or music or dance or art.  
Nobody in the universe sees things as you do.  
In all time there has never been anybody who laughs in exactly your way,  
And what makes you laugh or cry or think  
May cause a totally different response in another,  
So.... You're special

You are different from any other person who has ever lived in all history  
You are the only one in the whole of creation  
Who has your particular set of abilities  
There is always someone who is better at one thing or another than you  
But no one has your combination of talents and feelings.  
Through all eternity, no one will ever walk, talk,  
think, or do anything exactly like you.  
You're special.

You're rare, and in all rarity there is an enormous value  
And because of your great value  
The need for you to imitate anybody else is absolutely unnecessary  
You're special.... And it's no accident you are  
Please realise God made you for a special purpose  
He has a job for you to do as well as you can.  
Out of the billions of applicants, only one is qualified.  
Only one has the unique and right combination of what it takes,  
And that one is you
